MONITOR TECHNICIAN PROGRAM

This program provides an excellent opportunity for entry into or advancement within the healthcare field. A monitor technician fills an important role on the patient-care team by carefully watching patients' heart rhythms on monitors and alerting staff when abnormal rhythms are displayed. At the completion of these 4 days of intensive instruction you will have gained proficiency in the following: *Lead Placement for Telemetry Monitoring * Basic EKG Interpretation * Advanced Arrhythmia Recognition * Communication Skills on the Healthcare Team. This course is approved for 24 CE for CNA's. A competency based certificate will be issued for successful completion of course. **Prerequisites: Must bring current Identification, Medical License, if no license, a High School diploma.**

Course Dates: April 2, 3, 4, 6, 2018

Time/Location: 9:00 a.m.- 4:30 p.m. - Dublin

Instructor: Barbara Shannon, RCP, RN

Course Fee: \$450.00

Student Tuition Recovery Fund (non-refundable) .00

Total \$450.00
