Excel in the Emergency Department!

Take our 4-day **Basic Emergency Nursing Program**

This course is presented by Bella P. Harrison, RNC who has 27 years of nursing experience specializing in trauma and emergency care. For 10 years she has served as a team member on multiple Red Cross Disaster Teams in the US and abroad. She has developed the curriculum for the Basic Emergency Nursing Program based on Sheehy's Manual of Emergency Nursing Care 7th Edition.

This 4-day course provides RN's the essential knowledge base required for assessment and initial management of the emergency patient. Each day is structured to build from basic nursing emergency care to more complex care. The last day is devoted to management of Trauma and can be taken as a single class day.
